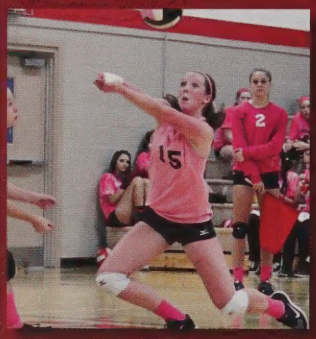
Volleyball team traditions included praying before each game and warming up to the team's favorite music.

The volleyball girls will always remember inside jokes, bus rides, the pink out game, wins against Northern and Allegany, **Rachel Warnick**'s extra encouragement pep talks, and how much fun the team had playing during a season.

Head Coaches were Stephanie Stephens and Becky Graham.

"It was a building year for junior varsity. They were a very young team. Everyone worked very hard and improved with each game. Coach Becky Graham said that she really enjoyed working with this group of girls. The varsity team was well balanced this year and we were able to play everyone at their strengths. We faced many tough opponents during the 2014 season and experienced some heartbreaking losses. We will lose five senior members this year: **Kambrie Bosley, Michaela Bush, Nicole McClosky, Rachel Warnick,** and **Hannah Gillispie**. I wish them all good luck as they graduate."

- Coach Stephanie Stephens



"What I liked most about being in the front row hitting position was the speed of each play. Everything moved at a fast pace.

We certainly took our lumps against some quality teams; but, we learned from those experiences and won our final 3 games including the JV Tournament at Mt. Ridge. Bowling teams were coached by Jeremy Sharpless.

The boy's bowling team defeated Fort Hill's 51 game winning streak.

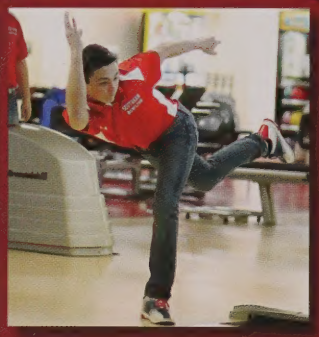
The girl's bowling team placed 1st in the Showcase Tournament.

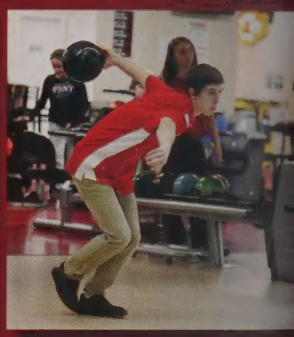
Both bowling teams had an outstanding season. The final record for girls was 15-3 (Actual) and boys 17-1 (Actual).

Do you know the difference between actual and adjusted scoring in bowling? Your actual score is what you actually bowled in the game. Adjusted score is the average of what you bowled. For example, if you bowl 200 and your friend bowls 190, you actually win. The adjusted score is the score of whoever bowls near or above their average. So, your friend who bowls less than you could win if they bowl closer to or higher than their average.

The bowling team members will always remember: ending Fort Hill's winning streak, friendships made through the season, home and away matches, Coach Sharpless, bus rides, and the Showcase Tournament.

"This was a great season of bowling, probably the best ever for Southern's bowling team. The kids worked hard and did their best, which is all I can ask for as a coach. They should all be proud of everything they accomplished as a team because I know that I am proud of them. Have a great summer and good luck to the seniors as they move on!" -Coach Sharpless





"I had so much fun being on the bowling team this year. Winning both the actual and adjusted titles at the Showcase Tournament will be a memory that I will always treasure." -**Kenzie Swift**

PARCC Highlight-
"While the HSA for Biology and Government will continue on, the English and Algebra HSA will not exist after this summer. In it's place is the PARCC assessment. PARCC stands for Partnership for Assessment of Readiness for College and Careers, which is aligned to the new common core standards. The high school assessments of the past have mostly been multiple choice with a few brief constructed responses. The PARCC assessments do still have multiple choice questions, but students will find there are more open-ended questions and some interactive parts to the test.There are currently two parts to each PARCC test; PBA, which stands for Performance-Based Assessment and EOY, which stands for End Of Year. They have not set a passing score for the tests. It is still uncertain which classes will be the first to have to pass these as a graduation requirement. It is important for students to try their best and for everyone to keep an open-mind and stay positive while we transition to this new process." -**Mrs. Sessa**
